DISCOVER THE PARK—SCAVENGER HUNT

The answers to the "no touch" scavenger hunt can be found throughout the park. We hope that you will enjoy seeing the entire park as you search for the answers.

1. The exposed bluff at the park is part of what geological formation?

2. When was the Stony Landing house built?

3. When did Old Santee Canal Park first open to the public?

4. What ship did the Little David attack?

5. Name as many animals as you can find in the bluff exhibit in the Interpretive Center.

6. Pick up any evidence of man (littler). Thank you!

7. What can you find out about Great Blue Herons?

8. How many ship/boat models can you locate in the Interpretive Center?

9. What are the big marble and granite stones along the Interpretive Center walkway called?

10. When did the Santee Canal open?

11. What is your favorite exhibit at the Berkeley County Museum and Heritage Center?

12. How much did it cost to build the Santee Canal?

13. On the upper deck at the Interpretive Center, listen and write down how many different sounds you hear.

14. How many canoes can you find in the park?

15. Name one plant in the pollinator garden?

16. When did the South Carolina River and Canal System function?

17. At the bridge over Biggin Creek, can you find the large Osprey nest?

18. What insect are the boxes on the trees near the pollinator garden for?

19. What were the arches under the Stony Landing House used for?

20. What was on last year's ornament?
