Rebates on New 0.93 EF Electric Water Heaters

Next to a hot shower, nothing helps reduce tension better than the year-round energy savings of a new, 0.93 EF (Energy Factor) energy efficient water heater. It's especially soothing when you can factor in a \$35 rebate from Santee Cooper on your purchase. On that note, see your appliance dealer or visit **REDUCETHEUSE.com** for more details.

Offer good through December 31, 2011. Complete terms and conditions available at **REDUCETHEUSE.com**.
